

Waterscapes 2010

Enjoy a calendar that informs and inspires God's children at a reasonable cost. **Waterscapes 2010** is an inspirational calendar for 2009-2010. The creator, **Margaret Everett**, is a local artist and author, who teamed up with Kathleen

Schubitz, a Christian publisher, and this is the result presented to you, to the glory of God.

As the days fly by, you can take a moment to read the scripture verses (Old and New Testaments) and imagine yourself in the photo beside the ocean or river. Both will inspire you as you refer to your calendar, **Waterscapes**. It was lovingly crafted by **Margaret Everett** to bring tranquil thoughts to your mind in the midst of a busy, productive lifestyle.

This 8.5 x 11" size allows the calendar to fit in a briefcase, and it has space for business contact information. The price is only \$12.99 plus sales tax, where applicable, and shipping costs. **Buy before September 30th, 2009 and \$\$\$ave 10%.**
