An Easy-to-Understand Approach to Spiritual Warfare

LAKELAND, Fla., - Local Author Randy Newberry has responded to God's call to write a book for Christianity constantly struggling with warfare. He gives a refreshing word and view through God's word for anyone seeking rest in what seems to be a constant battle.

If the Battle is the Lord's... Why Am I So Tired?, published by RPJ & Company in 2004, has just released a revised and updated version with a purpose of its own; to bring awareness of weariness and the struggle with spiritual warfare occurring in the Body of Christ. Author Randy Newberry embraces the subject matter of spiritual warfare in his non-denominational, easy-to-read style of writing.

ABOUT THE AUTHOR:

Randy Newberry is a Christian author who had been serving the Lord Jesus since his salvation call in 1975 and answered that call to preach in 1979 until he went home to be with the Lord on December 14, 2008. Together, he and his wife walked in all of the five-fold ministry offices and served in an apostolic capacity. They worked with several ministries in the United States, India, and Haiti. They helped to build, establish, and release the Kingdom of God within individuals and congregations through a powerful and dynamic demonstration of the ministry of revelation and the love of God.
