## Enriching Lives through Poetic Inspiration

LONGWOOD, FL – Feb. 8, 2010 – Author Kathleen Schubitz is pleased to announce the release of *... In His Presence*, a book of Christian inspirational poetry to enrich the lives of its readers. The book touches on love, loss, freedom and promise, and is filled with elegantly-crafted affirmations for the soul and spirit. Ms. Schubitz draws upon her breadth of experience in tragedy, healing, forgiveness and redemption to provide readers with a valuable resource to employ in their daily pursuits of peace and inspiration.

*... In His Presence* is a timeless treasure to be slowly reflected upon and referenced as a trusted companion. Each poem was written by Ms. Schubitz and followed by a passage of scripture, and the entire work is indexed with titles and their scriptural references. The poetry is backed with colorful, tranquil images of art and nature, and each page illustrates a daily affirmation of faith, courage, hope and much more.

“The book sets itself apart from other works of healing or inspiration in that it is not intended for a prolonged read. It is to be taken in nuggets – a praise, a prayer, a promise – each to be savored and reinforced over time. There are many wonderful souls in need of a reassuring voice, and a voice of experience. This is my introduction to the most healing voice of all, and a road map down the path to holiness,” says Kathleen Schubitz, author of *... In His Presence*.

Ms. Schubitz will be appearing at Family Christian Stores (April 3), Books-A-Million (April 10), and Hope Circle - CUMC (April 21) during April 2010 to inaugurate the release of her new book. *... In His Presence* is available through the RPJ & Company Web site for \$14.95 plus tax and shipping, as well as Amazon.com, Barnes & Noble and other major book sellers. The book is subtitled *Intimate moments with your Savior*, and it is her fifth release as an author. Each of her books is intended to help men and women achieve total freedom and forgiveness in the face of adversity while appreciating the true splendor of their given talents and abilities.
