

*For every believer
in Christ
who desires simple reminders
of who we are
and what we have
been called to be
in the Kingdom of God!*

Foreword

As an expositor and teacher of the Word of God, it was a privilege to read this simple yet profound book that takes God at His Word, and makes it practical for our everyday lives. Not only does the book give women the basic foundation of God's Word in declaring who we are in Him, but it also provokes the reader to go deeper in the research and study of the Bible.

Proverbs 18:21 King James Version states, *“Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.”* It is amazing that many people in the body of believers in Jesus Christ often quote this scripture, yet if one were to ask them what the scripture means, few would be able to understand its full meaning. This book written by Kathleen Schubitz brings an understanding to Proverbs 18:21 and helps those who read and confess the *ABCs of Who I am in Christ!* to be successful in their walk with God and in the world. The book captures what every believer must come to know and understand—that is, we will have great success in this world if we confess and believe what God has spoken into and over our lives.

As you read this excellent book, be encouraged in your faith, and continue to believe God for all that He has purposed for your life, and it shall come to pass!
