

Look Up!

*When anger rises in me,
I have a choice to spew or let it be.
Or, it can be diffused
by the One living inside of me.*

*It serves me
when my life is at stake,
But fuming or spewing
can lead to a mistake.*

*If I take time to evaluate
the emotion and behavior,
The answers can be found
through our loving Savior.*

*Will it help or hinder me
by verbally expressing,
Or cause the enemy to rob me
of peace and blessing?*

*His plans for love and peace
in every relationship
Will outlast momentary fuming
and future hardship.*

*The enemy wants me to stew,
fume and blow up,
But God desires yielding,
so I must look up!*
